GENERAL INFORMATION	13

“ PROFESSIONALS & FLEXIBILITY FOR LONG-TERM BUSINESS RELATIONSHIP ”

Awarding " Vietnamese High-Quality Goods" in 2014, Duy Tan is proud to be the leading plastic packaging manufacturer in Vietnam with household plastic products, plastic packaging for consumer goods, and plastic packaging for food, and especially the pharmaceutical packaging:

" The Manufacturer & Supply of pharmaceutical primary plastic Packaging for external and oral solution, oral solution, oral solid dosage & soft gel forms."

DuyTan has one-stop service, with an in-house research and development team, precision mold production and modern equipment. DuyTan is proud to provide solutions to turn customers' ideas into products.

“ SUSTAINABLE DEVELOPMENT WITH TECHNICAL AND INNOVATION ”

As for Duy Tan, one of our most important responsibilities is the health and the happiness of future generations. Duy Tan constantly invests in new and more efficient equipment and machines to minimize the impact to environment as well as reduce the use of electricity. All new investments are

focused on energy-saving equipment, machinery, and equipment. Moreover, the use of advanced analytical software to analyze the loading capacity of the packaging, Duy Tan can come up with lower weight designs that reduce the waste as well as limit the use of natural resources

With a team of professional designers and a precision mold factory with more than 25 years of experience, Duy Tan brings customers the packaging with satisfaction and affordable price.

“TRUSTY PARTNER ALWAYS FOLLOWS & COMPLY WITH CUSTOMER REQUIREMENTS.”

DuyTan is a customer's trusty partner of quality, satisfaction, and compliance with customer's production requests. Adhering to the most stringent requirements, DuyTan's pharmaceutical packagings production comply ISO 15378:2015 accordant to GMP (Good Manufacturing Practice). Moreover, DuyTan achieved numerous integrated management systems compliance between organizational regulations and international standards ISO 9001-2017, ISO 14001-2015, BRC, SEDEX, BSCI.

Using the virgin raw materials(compliant FDA, BPA free), state-of-the-art equipment, and a team of experienced professionals, we bring only the best products for the health and safety to the end-users. DuyTan 'll provide any required licenses, documents of products, material, and related proofs.
